

2003 PINOT NOIR, GARYS' VINEYARD SANTA LUCIA HIGHLANDS

From Santa Lucia's celebrated soils comes our newest Garys' Vineyard Pinot Noir - another finely crafted classic from Miner. Smoked meat greets cedar box aromas on the nose, while white pepper, tea spice and rose petals play whimsically on the palate. Chocolate-covered fruit and baking spice add to this complex array of flavors that tantalize the senses. Well-balanced with perfect acidity and a beautifully bold finish, the '03 Garys' is another shining example from this oh-so hot Pinot wonderland.

Founded in 1998 by Dave Miner, along with his wife Emily and his parents, Ed and Norma, Miner Family Vineyards produces small lot, handcrafted wines using fruit from Oakville Ranch, Ed and Norma's vineyard and other carefully selected California vineyards. We produce limited quantities of Cabernet Sauvignon, Merlot, Syrah, Zinfandel, Sangiovese, Pinot Noir, Chardonnay, Viognier and Sauvignon Blanc using a combination of old world winemaking techniques and modern technology. The focus of our label is to produce high-end, reserve style wines that reflect the unique characteristics of individual vineyards or "terroir" where specific varietals grow best.
